# VOCALS ONLY

## WHAT IS ELITE VOCALS?

Elite Vocals is a **Vocals Only** competition presented by Elite Eisteddfod, proudly West Australian owned and operated. Our event provides singers with the opportunity to perform in a fun, friendly and supportive environment while showcasing their talent on stage.

Performers receive valuable feedback from experienced adjudicators who understand the vocal genre they are judging, making Elite Vocals both an exciting performance opportunity and a fantastic learning experience.

We value every performer and recognise the courage it takes to step on stage. With free admission and a relaxed show-time atmosphere, we encourage families, friends and fellow performers to come along, support one another and celebrate the incredible talent on display.
